

WAY OVER YONDER IN THE MINOR KEY (Key of C)

Lyrics by Woody Guthrie, Music by Billy Bragg (1988)

I [C] lived in a place called Olfus-[F] -kee
[F] And I had a little girl in a holler [C] tree
[C] I said, little girl, it's plain to [F] see
[F] There ain't nobody that can sing like [C//] me
[Dm] Ain't nobody that can sing like [Am] me [Am]

She [C] said it's hard for me to [F] see
[F] How one little boy got so ug-[C] -ly
[C] Yes, my little girly that might [F] be
[F] But there ain't nobody that can sing like [C//] me
[Dm] Ain't nobody that can sing like [Am] me [Am]

Chorus

[F] Way over yonder in the minor [C] key [C]
[Dm] Way over yonder in the minor [C] key
[Dm] There ain't nobody that can sing like [Am] me [Am]

We [C] walked on down by the buckeye [F] creek
[F] To see the frog eat the goggle eyed [C] bee
[C] To hear that west wind whistle to the [F] east
[F] There ain't nobody that can sing like [C//] me
[Dm] Ain't nobody that can sing like [Am] me [Am]

[C] Oh my little girly will you let me [F] see
[F] Way over yonder where the wind blows [C] free
[C] Nobody can see in our holler [F] tree
[F] And there ain't nobody that can sing like [C//] me
[Dm] Ain't nobody that can sing like [Am] me [Am]

Chorus

[F] Way over yonder in the minor [C] key [C]
[Dm] Way over yonder in the minor [C] key
[Dm] There ain't nobody that can sing like [Am] me [Am]

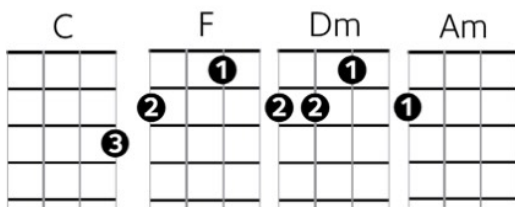

Her [C] mama cut a switch from a cherry [F] tree
[F] And laid it on the she and [C] me
[C] It stung much worse than the hive of [F] bees
[F] But there ain't nobody that can sing like [C//] me
[Dm] Ain't nobody that can sing like [Am] me [Am]

Now **[C]** I have walked a long long **[F]** ways
[F] But I still look back to my tanglewood **[C]** days
[C] I've led lots of girls since then to **[F]** stray
[F] Saying, ain't nobody that can sing like **[C//]** me
[Dm] Ain't nobody that can sing like **[Am]** me **[Am]**

Outro Chorus

[F] Way over yonder in the minor **[C]** key **[C]**
[Dm] Way over yonder in the minor **[C]** key
[Dm] There ain't nobody that can sing like **[Am]** me **[Am]** **[C-HOLD]**
