Verse

[G]Once upon a time there was an **[C//]** engi**[G//]**neer
Drove a locomotive both **[A7//]** far and **[D7//]** near
[G]Accompanied by a monkey who would **[C]** sit on his stool
[G//]Watching every**[A7//]** thing the engi**[D7//]**neer would **[G//]**move.

One **[G]**day the engineer wanted a **[C//]** bite to **[G//]** eat
He left the monkey sitting on the **[A7//]** driver's **[D7//]** seat
[G]The monkey pulled the throttle, loco**[C]**motive jumped the gun
And did **[G//]**ninety miles an **[A7//]** hour down the **[D7//]** main line **[G//]** run.

Chorus

[G]Big locomotive **[C//]** right on **[G//]** time
Big locomotive coming **[A7//]** down the **[D7//]** line
[G]Big locomotive number **[C]** ninety-nine
[G//]Left the engi**[A7//]**neer with a **[D7//]** worried **[G//]** mind.

Instrumental

[G] [A7] [D7] [G]

Verse

[G]The engineer called up the dis**[C//]**patcher on the **[G//]** phone
Tell him all about his loco**[A7//]**motive was **[D7//]** gone
[G]Get on the wire, switch ope**[C]**rator to right
Cause the **[G//]** monkey's got the **[A7//]** main line **[D7//]** sewed up **[G//]** tight.

[G]Switch operator got the **[C//]** message in **[G//]** time, said, there's a
nourthbound livin' on the **[A7//]** same main **[D7//]** line
[G]Open up the switch, I'm gonna **[C]** let her through the hole
Cause the **[G//]** monkey's got the **[A7//]** locomotive **[D7//]** under **[G//]** control.

Chorus

[G]Big locomotive **[C//]** right on **[G//]** time
Big locomotive coming **[A7//]** down the **[D7//]** line
[G]Big locomotive number **[C]** ninety-nine
[G//]Left the engi**[A7//]**neer with a **[D7//]** worried **[G//]** mind.
[G//]Left the engi**[A7//]**neer with a **[D7//]** worried **[G-Hold]** mind.
