Well it's a marvelous night for a moon dance with the stars up above in your eyes
a fantabulous night to make romance 'neath the color of October skies

All the leaves on the trees are falling to the sounds of the breezes that blow
and i'm trying to place to the calling of your heartstrings that play soft and low

You know the niight's magic seems to Whisper and hush ...
you know the Soooooft moonlight seems to shine In your blush

Can I just have one more moon dance with you my love
Can I just make some more romance with you my love

Well I want to make love to you tonight I can't wait til the morning has come
and I know now the time is just right and straight into my arms you will run
when you come my heart will be waiting to make sure that you're never alone
there & then all my dreams will come true dear there & then I will make you my own

and everytme liiiiii touch you, you just tremble inside
then I know hoooooow much you want me that you can't hide
